Property Description

Casa Ventura is a special little place. It is tucked into a small alcove about 15 minutes by foot to the city center of Samara. From the house you can walk five or so minutes to three beaches where you can surf, fish, swim, or go tide pooling. There is also a turtle refuge nearby. There are hiking trails in the hills above only minutes from your doorstep. The home is well maintained and can accommodate up to 4 people. The master bedroom has a king sized bed and air conditioning for your comfort. The second bedroom has a double bed with a ceiling fan. There are two full bathrooms so no waiting when you are getting ready to go out to one of Samara's many fantastic restaurants. The home has a swimming pool in a nicely landscaped backyard with mature fruit trees. There are three completely covered breezy patio areas, carport, and a storage bodega. The fully equipped kitchen offers the comforts of home.
