Property Description

Tucked within the gated community of Guiones Beach Club is Casa Bella Mar. This 5 bedroom, 5 1/2 bathroom gem of a house has been beautifully renovated from top to bottom (2023). The open kitchen is a cook's dream with plenty of natural light, soaring ceilings, quartz countertops, a large island with barstool seating and a dining table with room for the family. The living room opens directly to an outdoor paradise where a patio lounge seamlessly connects the house, pool, outdoor shower, and covered rancho complete with gas grill and dining room table for meals al fresco. There is no AC in the living room but each bedroom has air conditioning and a ceiling fan, as well as its own en suite bathroom. To make the most of your morning, grab a towel and your surfboard and head to the beach! It is a quick 5 minute walk to a private beach path and secure gate for GBC resident use only. Enjoy the best commute to many of Nosara's most delicious breakfast spots with a barefoot walk down the beach.
