Property Description

These Income Producing Villas are located in the mountains of Escaleras, between Dominical and Uvita. With fantastic ocean views and manicured gardens, use this property as your personal family estate, or for monthly rental income. The two villas mirror each other with two air-conditioned master suites on the main levels, and a full kitchen, living and dining area, and covered terrace on the second levels. A large patio area surrounds the pool, including a covered rancho perfect for lounging and entertaining. A two-bedroom, one bathroom caretakers cabina is ideal for those wishing to run this income property from afar - know your property is cared for while you are away and have an ideal vacation home in the jungle! Dominical and Uvita provide you and your guests with banks, medical clinics, dentists, veterinarians, mechanics, information centers, shopping, restaurants, and more. Not to mention the beaches, waterfalls, rivers, and wildlife that surround you.
