Property Description

This spectacular estate home, development opportunity, corporate retreat or wellness center is situated on a beautifully maintained paradise of gardens and waterfalls with over 100 species of flowering plants, colorful native trees and a flowing stream. With its breathtaking architecture, spectacular views of Lake Arenal and close proximity to the town of Nuevo Arenal, this private oasis is considered the finest private estate home on Lake Arenal. Newly constructed, the home offers four bedrooms, a media room or exercise room and a private second floor master suite with an adjoining office and a private balcony overlooking Lake Arenal. There is also a small staff bedroom with private bath and separate entrance. Villa del Lago was designed to accommodate either an extended family or large groups with the same grace and sense of purpose. A large chef's kitchen layout and great room with fireplace along with an adjoining living room flows out to a beautiful terrace overlooking Lake Arenal offering the opportunity to create a romantic dinner for two or entertaining on a grand scale.
