Property Description

BRAND NEW CONTEMPORARY HOME OVERLOOKING THE OCEAN AND THE CANOPY This magnificent two-story home features a beautiful and fascinating layout that is tremendously ideal for luxury. It is situated in a rich biodiverse ecosystem amidst the jungle. It is less than eight minutes from Uvita town. The structure gives optimum privacy, as it is located on the dead-end road and inside of a small development property area. With top-notch security, it is a safe haven for residence. Apart from the security infrastructure in the area, there is also an electric gate coming up very soon to ensure maximum security and safety. The private and public roads are also in perfect condition. The utilities are second to none; the water source is a clean spring from around the environment. For beauty and class, the building is a professionally decorated home. It has a blend of luxury and high-class taste. There are certainly few properties that give people a perfect blend of luxury, beauty, and convenience as this.
