Property Description

3 levels of construction 3,800 ft of living space on just under 1 acre of land fronting the coast highway within walking distance to the beach makes this home that was built in 2004 perfect for someone looking to open up a bed and breakfast, or hostel type of hotel. The mountain backing this property is lush virgin rainforest, and the home is located within comfortable walking distance to Ballena Beach, which is in the heart of the protected marine park, and very tranquil and safe for swimming! Do not miss out on this entry level price tag business opportunity in paradise!
