Property Description

UNDER CONTRACT! Casa Malia is a cozy house two-story house that has been completely remodeled and upgraded. The first floor features the main living space, is air-conditioned, and was recently re-tiled. The kitchen includes new appliances, native hardwood counters, a large pantry, and a washer/dryer. Upstairs are two bedrooms with new air conditioners and a shared bathroom. The master bedroom has direct access to the balcony and overlooks the adjoining fields of Esterones and Buena Vista. The living space continues outside with a newly paved back porch with a built-in grill, sink, and outdoor shower. Not only has the house been remodeled, the exterior has been freshened up as well including a carport with new concrete siding, new planters and landscaping, and new septic installed in 2019. At just \$125,000, this one won't last long!
