Property Description

This tropical house, perched on a hill with a front-row-center view of the brand-new Flamingo Maria, offers an exquisite setting with spectacular views and amazing sunsets. This property, which consists of two unique residences — Colores del Pacifico and Bahia Norte — offers a big and inviting living area. Colores del Pacifico is a 4306 sq ft Balinese-style home with 4 bedrooms, 4.5 bathrooms, and a flex area on three levels connected by outside stairs. Meanwhile, the more Mediterranean Bahia Norte provides a modest refuge with 1615 square feet of living area, 3 bedrooms, and 3 full bathrooms. Let's begin with Pacifico Colores. As you go into the big room with its soaring thatched ceiling, your gaze is pulled to the panoramic view through a wall of windows to the turquoise water of the infinity-edge pool, which mixes seamlessly with the vivid blue of the Pacific Ocean in all its grandeur.
