Property Description

Near the beaches of Dominical and Hatillo is this private and easily accessible 2 bed / 2 bath home surrounded by lush green jungle, rolling hills and fruit trees, this property is quite impressive.. 20 minutes away is the regional airport in Quepos and only another 15 minutes to the famous Manuel Antonio National Park ... easy access to all the nearby beaches and amenities..This great ocean view home is approximately 2,500 square feet in size and has two levels. There is a master bedroom on the upper level and a second bedroom below... Also for those who require a 3rd bedroom, the current owner have a quote to build an attach 15" x 12.5" bedroom at a cost of only \$5,000 US dollars with a 1-2 weeks completion time.. Each each bedroom includes it's own bathroom. The home is solidly built with concrete and local hardwoods, high ceilings and arched windows and doors.. The home is move in ready and the asking price includes furnishings and all appliances.
