## Property Description

Price reduced - great bargain! Property for sale located in Cañas Brunka in the canton of Buenos Aires, province of Puntarenas in the South Zone of Costa Rica. It is perfect for a retirement home, ecotourism project, cabins, bird watching, etc. The property measures 29,989 square meters with a frontage on the public road of 199 meters and flat topography. Approximately 7000 square meters consists of a 10-year-old forest plantation, with many timber species, including Cedro Amargo, Cedro María, Cascarillo, Pilón and Guapinol). An area of approximately 6500 square meters is planted with fruit trees for consumption (citrus, mango, rambutan, soursop, bananas, cashew, cocoa, avocado, water apple among others). Approximately 8500 square meters are in conservation with good-sized native trees. Finally, approximately 8000 square meters are occupied by beautifully designed gardens and structures.
