Property Description

Welcome to Pueblo Del Mar #27. This cute 2 bed townhouse is located in one of the towns better known and centrally located condominiums. The grounds have a well kept and tropical feel right from the front gate through to the common area of the pool and rancho with lounge chairs. The home itself has a small green area to the front and side where a picnic table or BBQ can be housed with ease. The kitchen and living area are on 2 levels, giving it a nice feeling of separation. There is room here for a TV and sofa living area on the lower part, as well as a dining table and equipped kitchen in the upper part, in addition to the breakfast bar. The room has 2 large windows on the front and back of the house, creating a nice fresh breeze as well as allowing plenty of natural light. After you make your way up the hard wood stairs you will see the full, well-sized bathroom on the left and on the right there is a half bath.
