Property Description

Drive into a one level home that has parking for four cars behind a electric garage door. The home has a front yard which wraps around to a huge backyard with trees, and a paved patio area that may be used as a quiet outdoor sitting area. Once inside the front door you will enter into a space that incorporates the outdoors and indoors in harmony. The living room and dining rooms are open with wood ceilings and tiled ceramic floors. They lead to a covered patio area that is separated and secured with a lovely iron fence. This area in turn blends into the spacious backyard and brings in plenty of natural light. The entire living area is ideal for entertaining and large gatherings. The eat in kitchen has plenty of counters and cabinets space and a panty, windows brighten everything above the sink. Off of the kitchen there is a maids quarters with full bath and laundry area. Towards the three bedrooms there is a half bath, TV room and computer area.
