Property Description

Brand new Luxury, modern home located 5 minutes from the National Park. Within a 10 minute drive to the tropical beaches of the Marino Ballena National park and the growing coastal town of Uvita, this brand new & modern home enjoy a private setting and beautiful ocean views. The Home is currently under construction and the estimate completion is between 30- 45 days from April 15th, 2017. A completely brand new home that will pick your eyes from the time you are driving up to the development. The 3,300 sq. ft. home features a streamline modern design overlooking the jungle, ocean and an small pick of the Whale's Tail. The kitchen and living area features an open floor plan, with sliding glass doors into the pool side terrace. A big and long infinity edge pool by the giant covered terrace will sells you. The kitchen will be finished with marble counter tops & hardwood cabinetry. The single plane roof design allows for natural airflow, keeping the main living area a comfortable temperature without the day.
