Property Description

This property is very private with no neighbors in sight, just incredible panoramic views that will literally take your breath away! Located conveniently between Ojochal and Palmar, 15 minutes off the highway on a well-maintained gravel road. The elevation of approximately 2,300ft provides fresh ocean and mountain breezes and you are surrounded by a canopy of trees that provide shade. Here you will receive daily visits from monkey, macaws, toucans and hummingbirds. Enjoy morning coffee or dining al fresco on the large elevated deck overlooking beautiful views of the valley below, Pacific ocean, Terraba river and Osa Peninsula. Pass through the ornate electric gate, following the palm-lined driveway which lead to the house situated on a 6.33 acre parcel of land. Much of the land is a natural jungle paradise, while approximately 2 acres is beautifully and maturely landscaped with beautiful flowers, bushes and pathways.
