Property Description

CASA BLANCA de ESTRADA is now offered at \$290,000 by a motivated seller. Casa Blanca is a serene, spacious home which was lovingly designed by the owner who was inspired by Spanish and Algerian architecture and interiors. Important features of the villa are the one-of-a-kind antiques that furnish the rooms, the vaulted ceilings that keep the inside of the villa cool and comfortable, even on the warmest days, and the windows and doors that are made from Pochote, a Costa Rican hardwood. The living and entertaining areas include a sunken living room and a kitchen and dining area that open up to the large covered patio. Ample storage includes built-in cabinets, closets, and bodegas. Casa Blanca is conveniently located off the paved road in Estrada--get into your car or ATV and you're five minutes away from Playa Carrillo, ten minutes to Camaronal, and twenty minutes to the center of Samara. This timeless villa is quite an opportunity for a discerning buyer who wants to relocate to Guanacaste or invest in this growing rental market!
