Property Description

This spacious and private house is in a secure, luxury community in Santa Ana with spectacular views of the Central Valley and surrounding mountains, an abundance of tropical trees and a large, 20,000-acre nature reserve and bird sanctuary. A 10-minute drive up the mountain brings you to the end of the road and this lovely home where you'll appreciate the tranquil setting. The entrance to the house is on the third floor which features 24-foot ceilings and a large great room with a chimney that is centered around the modern kitchen. Perfect for entertaining and today's lifestyle preferences. The large balcony takes advantage of the spectacular views and this is where you'll want to enjoy your morning coffee. The spacious master bedroom suite is on one side of the house with a luxurious bathroom, walk-in closet and views. On the other side are two more bedrooms, each with their own bathroom and one that has an additional sitting room.
