Property Description

This beautiful property sits on top of a small hill with an amazing view of a jungle ridge and sunset while only 5 minutes from downtown Uvita, the national park, and Ballena Bahia beach as well as Playa Hermosa and a fast array of restaurants and tourist attractions. The house fits 6 people (3 queen size beds) and features a 35m2 salt-water pool. The porch wraps around half the house and is a perfect place for lounging in the hammock. Ceilings are vaulted and there are lovely hardwood floors throughout. The bathroom is very modern complete with a bidet. A guard lives nearby on-premises to ensure 24-hour security. Pick your breakfast from the property's own exotic fruit featuring banana, mango, lemon, orange, avocado, and guava trees, or start your day with a peaceful Yoga session by the pool. Whether you like watching toucans, parrots, or monkeys straight from the comfort of the hammock or prefer to have an action-filled day surfing, ATV-ing, or whale watching, you will find this property to be your perfect home.
