## Property Description

This charming 2 bedroom house with acreage sits on a ridge with a window ocean view and absolutely breathtaking panoramic mountain views. You will enjoy sunset views over the ocean several months of the year. The property is located in a quiet community in the quaint village of Ojochal, only 10 minutes to two beaches. Renowned for many excellent restaurants and neighbors vs tourists, Ojochal is a preferred community for a laid-back and tranquil lifestyle, where the mountains meet the sea. Gain access to the property via a concrete driveway, through an iron gate, then a gravel drive leads to the house which is nicely set back from the road for privacy. Much of the nearly 5-acre property is landscaped, with many palms, flowering plants, and you can pick your own fruit from a wide variety of maturing fruit trees. The mountains bring fresh, cool breezes morning and evenings, and throughout the day you will enjoy the ocean breeze.
