Property Description

A Luxury Tropical Retreat for Nature Lovers - Casa las Palmas – Uvita As the sun sets on another perfect day in paradise, you shake your glass and make the ice-cubes clink in what's left of your delicious fresh fruit cocktail. You listen for the sound of the soothing ocean roaring below and welcome the cooling breeze that rustles the tropical greenery surrounding your perfect home in paradise. Standing up to head in-doors you take one more look at your beautiful dream residence and eavesdrop on the birds in the trees settling in for the night - with Casa las Palmas, this could be your reality. So much more than a holiday home abroad, Casa las Palmas was specifically designed for nature lovers. Positioned overlooking the South Pacific coastline, this new unique 220 sqm home sits on a total lot area of 5040 sqm and will not be on the market for long. Listed for just \$525,000 there are many reasons why this is a million dollar property.
