Property Description

Reduced to almost half the price it was in 2008! Casa Colonial is certainly one of the best meetings of land, home and magnificent views in Costa Rica. Add the convenience of a 5-minute walk to town or to the pristine Golden sand beach of Tamarindo. Set on exquisitely landscaped grounds, this authentic Spanish Colonial Estate was remodeled with the heart of a purest. The result from this labor of love is a one of a kind property in beautiful Tamarindo. The main house has 3 bedrooms and 3 1/2 baths. The expansive master suite is the crown jewel with its unobstructed views. The large 1 bedroom fully equipped guest apartment, overlooking the pool, offers privacy from the main living area and has its own idea of what an ocean view should be. Stone steps invite you down to a private pool, complete with waterfall and newly constructed 400 sq ft thatch roof Rancho/Gazibo is amazing for entertaining or just relaxing and enjoying the incredible ocean views and constant fresh breeze.
