Property Description

Great Spanish colonial townhouse, only 9 years old and well maintained. This home features a large open kitchen with granite countertops, a unique garden bar/man cave, an attic and hardwood floors in the bedrooms. There is also a water tank and pump. Located in Bello Horizonte, in a gated community on the east side of Escazu, with nice streets, park (across the street) and a large playground. Low HOA fees of only \$130/month is a huge advantage. Downstairs, the home offers a large foyer, living - dining room, high end open kitchen, covered terrace with unique bar, guest bathroom, large laundry room and maid's quarters. The 2-car garage has a small storage area. Upstairs you'll find a large TV room/office, large master bedroom with bathroom and walk-in closet and nice views of the mountains and park across the street. There are also two nice sized bedrooms, one with an attic for storage, that share a bathroom.
