Property Description

Within a 15-20 minute drive from this private rainforest home you will find amenities, services and attractions such as:- Manuel Antonio Park, which is one of the most visited national parks in Costa Rica, with white sand beaches and abundant wildlife. - Playa Espadilla, which is a dynamic beach lined with a variety of restaurants and shops. - Quepos, which is a bustling town with banks, medical services, fresh markets and is home to the world class Marina Pez Vela and the Quepos domestic airport. Comprised of 2 properties, this 3 bedroom, 3.5 bathroom, 3,067 sq. ft. home rests on 5,060 m2 of land, while the additional 5,207 m2 of land is located behind the principal property and provides additional area for construction of a second small jungle home. The home features a comfortable layout with vaulted ceilings and air conditioning throughout. The first floor holds the united TV room, kitchen and dining area, which open onto the outdoor patio.
