Property Description

Newly Renovated With Incredible Ocean Views On 2.5 Acres By The Beach This is one of the prime parcels in the Brisas Del Mar gated development. The property was once a developer hold back because of it's prime ocean view location. Take advantage of this newly renovated home with contemporary kitchen with custom exotic hardwood cabinetry and granite counter tops. Beautiful quality custom tile flooring throughout. Room To Expand On Upper Building Location With Whitewater Ocean Views For A Large Home This house is perfect to live in while your main house is being built! The main building site is quite large with ample room to build a large quality house. Located on the front ridge line looking over Marino Ballena National Park beach and all the way south to the Osa peninsula and north over the famous "Whale's Tail" for perfect all year round sunsets! Incredible Location By The Beach And Town Amenities The altitude is perfect with brisk ocean breezes all day long.
