Property Description

Amazing Matapalo is the perfect turnkey property for those looking for a contemporary second home/vacation rental. It checks all the boxes— 3 bedrooms, sunset ocean view, infinity-edge swimming pool, and with quick and easy access. Located in Matapalo, approximately midway between Quepos and Dominical, this front ridge house is perched on 1.12 acres; an easy 2-minute drive from the coastal highway and a 5-minute drive from the beach. You pass through the privacy gate and continue up an improved concrete driveway to the house. Clean, bright, contemporary... this 1,750 sq ft home is inviting inside and out. There is a large covered patio next to the pool with ocean views, sitting area, and bbq/sink. It's where the owners and renters spend the majority of their time, as well as, in the infinity pool. Inside, the layout is stylish, functional, and comes completely furnished. You enter into the great room (living room/kitchen) with a dining table, sofa, and television.
