Property Description

JUST REDUCED!! Was \$2.495.000 now \$1.950.000!! Playa Negra Hills is an entire finished development that is for sale. This is a 100 acre development that had all the infrastructure completed years ago. The project has: -All interior roads completed with drainage -All lots officially segregated and registered in the National Registry of Costa Rica -All lots are in individual corporations -Electricity installed throughout and servicing all lots -Water installed throughout and servicing all lots including private wells and water tanks. -Geotechnical soil studies -Great cel phone signal -Myriad wildlife including Howler Monkeys and more -30% with expansive ocean view lots -30% with ocean view lots -45 total lots and expandable -12 commercial lots including one that has soil studies for a gas station -Large and ample green zones -Less than five minutes to world famous #PlayaNegra -Less than five minutes to the paved road to all points This is one of those rare opportunities where all the onerous work has been done.
