Property Description

Welcome to your own piece of paradise nestled in the hills above Uvita, Costa Rica, along the enchanting Costa Ballena coastline. This extraordinary property is a sanctuary for nature lovers, conscious community seekers, and those who appreciate sustainable living amidst breathtaking beauty. Upon arriving at this unique property, you'll be immediately captivated by its stunning surroundings. The wrap-around decks on both floors offer panoramic views of the Pacific Ocean at sunset and the lush jungle that blankets the hills. It's a sight that never grows old, as the colors of the sky dance with the ever-changing hues of the tropical landscape. The master bedroom suite occupies the entire first floor, providing a tranquil and private retreat. Imagine waking up to the gentle rustling of leaves and the distant sound of waves crashing against the shore. Floor-to-ceiling windows ensure that you're always connected to the natural world outside.
