Property Description

Nestled in the heart of the enchanting Ojochal in Costa Rica, where the splendor of nature merges harmoniously with warm local hospitality, you'll discover a hidden gem within the Osa Peninsula. This remarkable community, a collaborative masterpiece by M&Y Design developers, offers a one-of-a-kind luxury tropical experience coupled with a strong commitment to sustainable living. Each home within our exclusive enclave is a tribute to the natural beauty of Costa Rica, with an unwavering dedication to eco-friendly living. Every residence is equipped with cutting-edge solar panels, harnessing the sun's power to reduce your carbon footprint and energy expenses. Situated in the Osa Peninsula, you'll be enveloped by the invigorating energy of the tropical rainforest, all while having the majestic Pacific Ocean within your constant view. Scarlet macaws, toucans, parrots, and exotic birds will paint your sky, while monkeys, sloths, and other wildlife become your lush canopy neighbors, creating a vibrant symphony of life.
