

New & Pre Constructions Projects

📍 Jaco, Puntarenas

For Sale

\$199,000

ID: 20435

- Property Type: Communities

Property Description

The Jaco area has a number of new projects currently under construction as well as many recently announced offering pre-construction pricing. Pre-construction pricing offers an opportunity for buyers and investors to get in at entry level price points. Our Coldwell Banker office carefully vets, researches and filters reputable developers and helps to ensure you are entering a secure transaction. If you are open to new or pre-construction be sure to contact us for updated inventory and news.
