Property Description

Explore the unparalleled potential of a dual-lot opportunity just moments away from Playa Carmen – an investment that promises the best of both worlds! The first lot, a sprawling 3,569 sqm haven, beckons you to create your dream residence amidst tranquility. This private residential spot, adorned with majestic native trees, provides a canvas for your vision. Imagine building your dream home surrounded by lush greenery and a 25% development usage, with breathtaking views of the mountains and river. Delight in the abundance of mature fruit trees, including a 20-year-old starfruit tree, coconuts, and mango trees. Find serene corners shaded by old-growth local trees, complemented by a stunning Guanacaste and a majestic Colorado tree. This strategically positioned lot offers easy year-round access and is ready for your dream to unfold. On the flip side, the second lot is a 204 sqm commercial gem, an ideal canvas for a visionary.
