Property Description

Located on the southern tip of the world famous white sand Flamingo Beach, this one of a kind 7 bed, 9 bath home is over 17,000 sq ft of pure luxury. This grandioso property offers several entertaining areas, a kitchen designed for a chef, a dining room that seats 18, many balconies and terraces – all of which have incredible ocean views, and a spacious outdoor area for relaxing. The main level entry takes you through beautiful stained glass doors into a majestic lobby accented by a grand sweeping staircase. Off this lobby you will find 5 master suites, all with their own unique design and décor, and private on suite bathrooms. On the other side of the lobby you pass through another set of wonderfully etched glass doors that lead down to the entertainment area with gas BBQ grill, outdoor fridge, a heated in-ground pool, and a poolside bathroom with shower. Just beyond, is an ocean view outdoor jacuzzi and a private set of stairs to the ocean where you can enjoy the magnificent soft white sands of Flamingo Beach! Only a handful of properties have this exclusive ability to access this beach directly from their house.
